BELLS

Oh, that we had more bells to send
Their ancient call across the land!
Bells speak a universal tongue
That any heart can understand.

A steeple emptied of all sound,
A belfry where no bright bell swings,
Is like a throat without a voice,
Is like a harp without its strings.

We need the call of bells today;
The morning bells swung on the air,
The ancient sunset bells that bade
The people pause awhile for prayer;

Glad Easter bells that peal their joy
As clear as any golden horn;
The Christmas bells that echo out;
"Joy to the world, the Christ is born."

We need the bells! I wish we had
More of them down the land today,
For Oh, so often we forget
The upward look, the need to pray.

GRACE NOLL CROWELL.

INTRODUCTION

Supplement No. 3 to the History of Western Salisbury Jerusalem Joint Congregation and Cemetery Association, R. F. D. No. 2, Allentown, Pa.

We are at this time celebrating the Two Hundredth Anniversary of the organization of the Western Salisbury Church. It is most fitting that we should observe this event with appropriate services. The Western Salisbury Church is one of the oldest north of the Lehigh mountains and east of the Schuylkill river. The edifice that graces the hill top overlooking the little Lehigh river is 122 years old. It was built in 1819. It is the third house of worship erected at this place. The first was built in 1741. The founding of this church 200 years ago is quite a long time and hence this anniversary will be a red-letter day for this church. It is one of the milestones in its history. When we look into the future 200 years, it seems a very long time. Imagine 200 years of prayer and worship; 200 years of praise to Almighty God; 200 years of Christian life, character, and influence. Surely some good must have been done in this community.

It is this anniversary occasion that has suggested the preparation of the third supplement to the history of the Western Salisbury Church. In it we have the record of the activities of the church and the official acts of the pastors during the past ten years. It also contains some new material, certain facts and records which have never been printed before. The committee feels that such historical material pertaining to our dear old church should be put into permanent form. Since the publication of the original history of the Western Salisbury Church some mistakes and inaccuracies as to names and dates have been discovered and brought to the attention of the committee. In this supplement we are presenting a list of corrections and omissions found in previous records. The committee is aware of the fact that some of the activities herein recorded may not be of great value while other material of far greater importance and significance may have been omitted. We can only say that under existing conditions we have tried to do our best to present complete records. If any mistakes are discovered we hope you will bring them to the attention of the committee so that they may be corrected in future issues.

The committee owes a debt of gratitude to the various organizations, committees, and individuals of the church who assisted in the prosecution of this work. Also to Mr. Charles Roberts who so kindly responded to requests for aid and information.

Other friends furnished valuable suggestions and attended to details and all these have our sincere thanks.

Today we rejoice in the peace and harmony and good will that have existed between the two congregations for a period of two hundred years. During these many years hundreds of Christian men and women have come here Sunday after Sunday seeking comfort and consolation in the preached

Word and the administration of the Sacraments. The members of this church have been a steady growth in Christian life and character. We are thankful for the blessings of the past and gird up our loins to enter upon a new era, trusting that we shall be led to further manifestations of the love and mercy of the Lord: "For He is able to do it being Almighty God and willing, being a faithful Father".

NEW HISTORICAL MATERIAL

The following material concerning the history of the church has been discovered by the committee in the minutes as kept by the late Tilghman Neimeyer. This material has never been published before and the committee feels that it should be kept in permanent form. This material contains a rather complete account of the alteration and rebuilding of the church in 1884.

The selection and purchase of the new organ in 1895 was a very important matter in the life of the church. The installation of the steam heating system in 1897 was also a noteworthy project.

We are also printing the subscriptions to the chapel since these have never been published before.

The baptismal and burial records of Rev. Myron O. Rath are also published.

TILGHMAN NEIMEYER SECRETARY ACCOUNTS OF WESTERN SALISBURY CHURCH ON REBUILDING AND ALTERING THE CHURCH MAY 14th, 1884

The new elected members of the Finance and Building Committee of the Salisbury Church met in the school house adjoining the church and organized by electing Reuben Romich as President, Tilghman Neimeyer as Secretary, and Tilghman P. Kline as Treasurer.

The building committee to consist of three, Jacob Andreas, Henry G. Bieber, and Francis Kemmerer.

The Trustees of said church reported the subscription for rebuilding and alterations at present amounts to \$3,644.00 and it was decided to proceed with the work in twelve days from above date May 26th, 1884. A motion was made by Henry G. Bieber to take the partition out of the school room to enlarge the rooms for use of Sunday School and Church purposes. It was seconded by James Biery and was unanimously carried to take it out and employ E. H. Sterner and David Hinkle master carpenters to superintend the work under the direction of the Building Committee.

Resolved that the President and board of committee and other officers shall meet every 4th Monday in each and every month at 8 o'clock A. M. for the purpose to investigate the proceedings of the work, collections and all other necessary business to be transacted.

They shall hold special meetings as often as business requires.

It was ordered by the committee that the Treasurer shall pay to the master carpenter some money on account if needed not exceeding the amount due them until the work is finished. Then bills shall be presented to the board and approved by same if true and correct no further business on hand on motion adjourned.

NEW STEAM HEATING SYSTEM

Salisbury Church, August 17, 1897

A meeting by the Consistories, Trustees, and members of the church was held for the purpose of Church heating apparatus which was unanimously decided for Steam and eleven subscription books, were distributed among the appointed collectors to raise the money needed. The proposals were ordered to be ready September 1.

Salisbury Church, September 1, 1897

The meeting was called to order by President S. Wetzel of the consistory. The subscription books were added together which amounted to \$550.25, then it was decided to proceed. Francis Kemmerer was ordered foreman to make alterations in the basement for placing the boiler. The appointed heating committee is as follows: Eli Andrew, President; T. Neimeyer, Secretary; Francis Kemmerer.

William Wenner of Salisbury, William Wenner of Macungie, Oscar Troxel, and Augustus Reinhard; took the matter in hand and examined the different proposals. The church is 54' 4" by 38' 4" in the inside. 33' is the average height which makes 65010 square feet or 1080' radiation.

Neimeyer and Bro. had three proposals. One for \$500.00; another for \$550.00 and still another of \$450.00.

Jos. Addis one for \$455.00. Nothing said as to the kind of boiler or radiation.

Schaeffer & Willabecker for \$655.00. Horizontal boiler with radiation. Boiler of 1300 sq. ft. and radiation of 1080 ft.

Mager & Ritter for \$610.00—Model Boiler.

Krause Bros. for \$510.00—Model Boiler 1050 ft. Radiation 925 ft.

Krause Bros. for \$540.00—Model Boiler 1300 ft. Radiation 925 ft.

It was decided to take Neimeyer and Brother's proposal for \$550.00.

No. 505 Bundy Boiler of 1375 ft. gross capacity direct radiation in square ft. and 1050 ft. Elite radiation to be put up as proposal and agreement.

On September 2, the committee met, Eli Andrew, President; Tilghman Neimeyer, Secretary; Augustus Reinhard, Francis Kemmerer, and the Neimeyer & Brother and Henry Reinhard. It was decided to two of forty loops. One of thirty-two loops. 1 of 28 loops. 2 of 8 loops. Elite Radiator 45" high, 156 loops in all. 6 2/3 ft. to a loop makes 1040 ft. radiation to be placed in the church.

The agreement was made on the above proposal the 4th day of September, 1897 and payments 30 days after finished to be November 1st. \$350.00 and Balance \$200 on February 1st, 1898.

The first service of the steam heating was October 9, 1898.

TILGHMAN K. KLINE MEMORIAL CHAPEL

The need of larger quarters for the Sunday School had been felt and discussed for some time, but no definite action was ever taken. The late Tilghman K. Kline through his bequest provided a means for action.

Mr. Kline, in his will, left \$1500.00 to the Church for general improvements.

The chapel was build in 1899 with dedication services in the fall of the year. The Building Committee consisted of Francis S. Kemmerer and Tilghman Neimeyer. David Hinkle, Wescoesville was the contractor. Lutheran superintendent being Marcus J. Kemmerer. Reformed superintendent being Charles W. Eisenhard. Tana Lehman taught the Infant Department and Charles N. Eisenhard the Bible Class.

It was decided to use this money towards the erection of a Sunday School Chapel and raise the balance by subscription among the members. The Chapel was dedicated in 1900. After construction there

was no money left for the pews and the Sunday School purchased the same. Up to this time Sunday School was held in the School House now occupied by the Sexton. The following data has been found dealing with the matter of the subscriptions and payments.

From the Friedensbote of July 29, 1825. (Translated)

500 Dollars Reward. A villain, between the 27th and the 30th of April, placed a blasphemous writing under the door of the so-called Jerusalem church in Salisbury township, Lehigh county, the equal of the contents of which could perhaps nowhere be found, in which the Lutheran teacher, as also other upright members of the congregations, men of honor and reputation, were slandered in the most shameful manner, and what was the most frightful, dreadful and unheard of thing among Christians was, that in the said writing it was twice threatened that the church would be burned down, once, it was threatened to be burned with fire and brimstone and the other time it was threatened that it would be made the prey of flames, with the postscript: "This will surely happen, if you do not give up."

Therefore, we, the undersigned, members of the church councils of both of the union congregations, offer to any person or persons, the sum of 500 dollars, who will identify such a villain, so that he may be convicted by law of this frightful crime and that his merited award may be given him. Done this 24th day of July, in the Year of Our Lord 1825, in Salisbury township, Lehigh county. July 24. George Bieber, Jacob Andres, John Neitz, Michael Harlacher, John Willower, Adam Dorney, John Gross, John Roth.

From the Friedensbote of May 26, 1820.

The undersigned building committee of the new Jerusalem church in Salisbury township, Lehigh county, extend herewith to all their fellow citizens and all those present, their hearty thanks, not only for the quiet and decent behaviour during the dedication of the church, but also for the large contributions which they gave on this occasion. Philip Klein, John Bogert, Building Committee.

nated by Marcus J. Kemmerer. The members of the Joint Consistory and others who helped in the electrical work were: Stanley Weida, Howard J. Kline, Milton M. Stephen, Marcus J. Kemmerer, Edgar T. Fink, and E. Marcus Kemmerer. The chimney in the chapel was repaired. The seats of the church council were replaced and a portion of them were removed to provide more space. The seats on the opposite side were entirely removed to permit the placing of the old altar and a place to register names of visitors. Outside faucets were installed at the rear entrance of the chapel. The coal cellar was removed from the inside of the basement to the outside, directly under the pavement. The new concrete walls and curbs were laid along the south side of the church and one tree was removed. The electric lighting system was also changed with new switch boards, new meters and cable lines being installed. The seating capacity of the Choir was enlarged by removing the curved portion of the railing and running it straight to the balcony on both sides. The buildings and contents are insured against fire as follows:

Church and Chapel	\$36,000.00
Furniture and Fixtures in same	5,100.00

Sheds	800.00
Garage	300.00

TOTAL\$48,400.00

One of the projects recommended by the Trustees was that all physical property used by any organization of the church in the conduct of its work, should be titled in the name of the Association. We wish to express our appreciation to the Directors of the Association in ratifying this action.

The outstanding accomplishment, on record, of this church had its origin the latter part of 1932 and became an appreciated reality within this year, namely; the excavation of the church basement for the purpose of providing a modern Consistory and Choir room. It was unanimously agreed upon to have the church pay for the iron beams placed in the basement and then to continue the work as long as it does not bring any additional expenses to the church. This was accomplished with very little expense to the Association, but on the other hand, the services and donations given by some of our faithful flock in times of depression, toward such a project goes to

show, without a doubt, that the Spirit of God still prevails in the members of our beloved church.

We cannot pass without making special mention of the originator of this move, Mr. Milton Stephen, a member of the Board of Trustees, whose effort should receive appreciation and praise from each and every one for all time to come. We feel these improvements will be considered very valuable by the church for this generation and for all posterity.

The following is a record of services given and donations made as per report of Mr. Stephen:

Ladies' Aid Report

We visited with the Palm and Unionville Ladies' Aid Societies. The Ladies' Aid had their annual trip to Topton Orphans' Home, donating a quilt and candy. We also sent a quilt and candies to the Reformed Home at Womelsdorf, also girls' bloomers which were made in the home of one of our members.

Prize winners for best attendance were Mrs. James Dorney, Mrs. Edw. Wagner, attending 39 meetings, Mrs. Ida Bieber, 36, Mrs. Harvey Hinkle, 34.

Sunday School President Report

We have five departments and their membership is as follows: Primary, 48; Intermediate, 86; Adults, 123; Home Department, 40; Cradle Roll, 24; a total of 321, 18 teachers, and 40 officers.

We had twelve monthly meetings attended by an average of 40. All meetings are opened with a religious service, hymns, scripture, prayer and readings. We had only one Teachers' meeting. At the January meeting the year's general activities were planned and posted as follows—Jan., Installation; Feb., Foreign Mission and Social; April, Easter Service; May, Mother's Day and Memorial Day; June, Children's Day and Ice Cream Festival; July, picnic; September, Promotion and Rally Day; October, Social; November, Home Mission and Thanksgiving Service; December, Christmas Service and Election.

Good fellowship is a great idea. After each business session a social hour was enjoyed. Department heads and classes acting as hosts or hostesses, serving refreshments procured through sinking fund collections. These joyous contacts make life sweeter and burdens lighter. It suggests warm handclasps, twinkling eyes, and the unaffected smile. It develops into story, fun, frolic, laughter and applause, an hour of happy carefree enjoyment in the company of good people. This good fellowship can not be limited to having only a good time any more than the sun can be limited to light without heat. Real good fellowship finds other ways of expression, it brings action in good movements, welcomes opportunities for service and ways of making others happy.

The Sunday School Orchestra has been stronger and better than ever, always willing to assist in regular, as well as in special programs. The Pianists and Musical Directors, always on duty, giving their valuable services so graciously. The Male Chorus is a valuable asset to our activities, we thank them for their efforts to serve us.

At Easter time the Sunday School presented three crates of eggs to the Womelsdorf, Topton, and Germantown Orphanages.

I want to congratulate the Church Council for their thoughtfulness in mimeographing these annual reports and spreading the true facts of every organization to our members and their families. How can we interest those not yet interested, if we do not show them what we are trying to do? We are sorry the "S. S. Chat" did not receive any support in 1933.

Sincere thanks to the twenty-four who took active part or who in any way helped to coach the Thanksgiving pageant, "Thanksgiving for Keys Open Doors." Also the Choir for their assistance.

The addition of a Musical Director for our programs has been a big help to us all as many new hymns were sung with quite some success.

At present we have 124 members on the roll.

Choir Report

Another year has passed and our choir is just as enthusiastic in church work as it ever has been. We have 31 members at present and all are very

faithful. The majority attended at rehearsal and church services. Through the death of Paul A. Reinhard our choir has lost one of its most estimable and faithful members. We have had four special functions throughout the year. The candle light service, which was our first attempt, Dr. Curtis showed slides, an entertainment and a musicale.

1934—TRUSTEES' REPORT

During 1934 parking lights were installed. Crushed stones were placed in front of the church property, and the parking spaces were oiled. The waste cans and standards in the cemetery were painted and are in good condition. The dome in the middle of the church was lowered, thus giving better lighting facilities. A ventilating system was installed in the basement. The consistory pews and electric stoves were repaired and asbestos was put on the rear walls. Electric poles for telephone purposes were erected at the entrance of the chapel. Windows were repaired with felt lining. The organ was again repaired.

A lost chancel ornament was mounted on a panel and placed in the Church. This was donated by E. M. Kemmerer. The name plate was donated by Venus Stephen.

A beautiful case was donated by E. M. Kemmerer in which place a list of the names of departed soldiers buried in our cemetery.

New carpet was put in the Church by the Council with the exception of the side and rear aisles. The Consistory felt that the job was not complete, neither did they feel as though they could afford to pay for the same out of the general treasury, so it was decided to have the work done by special contributions. We are happy to report that money to the extent of \$66.50 was generously donated by the following contributors:

1935—TRUSTEES REPORT

The hand decorated chart listing the names of all the departed soldiers from the Revolutionary War, the War of 1812, the Civil War, Spanish American War and the World War was beautifully engraved and presented to the church by Francis Kline and is now on display in an enclosed case. It is placed in the front of the church with our other historical material.

The old church clock in the basement was repaired by Wilbur Reinhard, his services having been given gratis.

The shed roofs were patched and the fences repaired, the posts being donated by Stanley Weida and the work being done by Robert Arnold and Raymond Snyder, gratis.

In order to keep the lawns on the cemetery in good order, the trustees have found it necessary to sow some extra seed each year. This year fifty (50) pounds were used on various parts.

The stairway which leads down into the basement was ruined by frost and this was rebuilt by Robert Arnold and Milton Stephen at no cost to the church. The material was furnished by Milton Stephen.

The Trustees looked after the church steeple and whatever was required for placing it in perfect order. The slate roof was repaired around the bell. The bell rope was tightened by Raymond Snyder and Harry Knedler. Iron stakes for the parking place were donated by Milton Knedler.

The road signs at the state highway and at the cross roads were weather beaten and did not look presentable. We owe a great deal of thanks to Mr. Leighton Knappenberger for repainting these road signs and putting them in good order. We are also happy to say that Mr. Knappenberger donated the labor for painting the base of the church and chapel, as well as his labor for repainting the iron safe in the consistory room.

The colored windows were repainted at the ventilators and refelted. This labor was done by Mr. Raymond Snyder.

The cellar door at the rear of the church was repaired gratis by Mr. John Ortt.

Six posts were erected and donated for parking purposes by Mr. Raymond Snyder. Parking was very essential at our yearly picnics and we were fortunate in securing the field in back of the old cemetery for this particular purpose, and in order to make it agreeable, we erected three posts and illuminated same. This work was done by Charles, George and Robert Arnold and Mr. Raymond Snyder. We are gratified to report that this parking place was cleaned of all weeds, at no cost to the church, by Mr. Wm. Clauser on several occasions.

The iron fence around the cemetery was found to be in a dilapidated condition. It was repainted at a cost of \$25.00.

New railings were placed on the stairway leading into the chapel basement as well as on the steps outside of the chapel. While this was quite an expense, the trustees felt it was absolutely necessary for safety and convenience.

This fall the trustees decided, that rather than spend money for repairing the old stable, which has been here for years, it should be removed. It

EDWARD F. STRAUSS, ORGANIST

Edward F. Strauss, organist and choirmaster, was born in Lower Macungie Township, Lehigh County, Pennsylvania, June 13, 1874. He is the son of the late Benjamn Strauss and his wife Sarah Ann (Kline) Strauss.

Mr. Strauss secured his preliminary education in the schools of his native township and in the High School at Emmaus, graduating from the latter May, 1896. He started his musical career at the age of nine years under the direction of Dr. Clement Marcks for approximately fifteen years during which time he studied pipe organ at Zions Reformed Church, and St. John's Lutheran Church, Allentown, Pennsylvania. At the age of ten

years, he became organist of what was then known as Riegel's Sunday School—which position he held for twenty-eight years. In 1888 he started to play at the Western Salisbury Union Sunday School, and in 1891 was elected organist of the church to succeed Morris S. Bieber who resigned. At this time the choir consisted only of seven or eight members. In conjunction with the Salisbury Congregation, he was elected organist of the St. John's Lutheran and Reformed Church, Emmaus from 1901 to 1921—a period of twenty years. He taught music on piano and organ to prominent members of our congregation and community.

Mr. Strauss officiated at five hundred and sixty-one (561) funerals. He will have completed FIFTY years as organist of Western Salisbury Church on October 1, 1941.

The following paragraphs, taken from the minutes of the monthly meeting of our trustees and consistory in 1891, record the event of his appointment as to his position here:

"A meeting held by the consistory, trustees, and church members at the Jerusalem Church School House in Western Salisbury on October 21, 1891.

"Members present: Sylvester Bieber, N. Peter Andreas, Ephraim Kemmerer, Edwin Neimeyer, H. M. Rabenold, Allen Millhouse, Benjamin Stephen, F. D. Schmoyer, John Reinhard, William Reinhard, Hiram J. Bogert, Solomon Bogert, Henry G. Bieber, Asa Neimeyer, John Bogert, Frank Guth, John Reinhard, Jr., and Charles Frick. The resignation of Morris S. Bieber was read before the meeting and by a motion and was seconded—the resignation was accepted and Mr. Bieber discharged. Four names of candidates for organist and vocalist—namely, Edward F. Strauss, Edwin Druckenmiller, A. G. Romig, and Daniel Miller. On motion resolved that the consistory shall elect one out of the four candidates for organist and vocalist. The result of the ballot was as follows: Edward F. Strauss received eight (8) votes; Edwin Druckenmiller, none; A. G. Romig, none; and Daniel Miller, none. Mr. Edward F. Strauss was then unanimously elected organist and vocalist at the Jerusalem Church of Western Salisbury."

At the present time the choir consists of thirty-four members. They acquired their first vestments in 1931 by their faithful and conscientious efforts to solemnize their part in the services.

On May 15, 1902, Mr. Strauss was united in the bonds of holy matrimony to Minnie S. Kline of Salisbury Township, Lehigh County, Pennsylvania. This union was blessed with two daughters, Arline and Mildred, and a son, Charles B., who died in infancy.

BOY SCOUTS—Charter Troop and Officers—1924

MEMORIAL DAY SERVICE

BOY SCOUTS—Present Troop and Officers

HISTORY OF OUR BOY SCOUT TROOP NO. 38

1934

In November 1933 Ralph M. Creveling, Sr. introduced the Scout Movement to the Joint Consistory. Being accepted the Committee organized in March 1934 and the boys held their first meeting on April 6th and the charter was presented on Sunday evening, May 6th.

The first Committee consisted of Harry P. Creveling, Chairman; H. Howard Reese, Secretary-Treasurer, Rev. D. E. Schaeffer and Rev. P. F. Spieker, Chaplains; Stanley Weida, Ralph Schmick and Morris Hoffman, Committeemen. The Scoutmaster was Ralph M. Creveling, Sr. and Asst. Scoutmaster Earl Heimbach. The twelve charter members were William Angstadt, Warren Backensto, Ralph Creveling, Jr., Myron Fink, Paul Heimbach, Henry Labenberg, Robert Laudenslager, Merle Mackes, Richard Schmick, Charles Shelhamer, Jr., Wilbur Unangst and Amos Weida. After three months seven more boys were invested, Stephen and Paul Bandura, the first set of brothers in the troop, Wayne Fink, Dallas Heckman, Harry Miller, Arthur Kern and Frederick Trappe. The Senior Patrol Leader was Ralph Creveling, Jr. and Robert Laudenslager and Merle Mackes, Patrol Leaders.

These boys aimed high and many have reached their goal. The Troop has collectively been awarded 57 merit badges for various achievements. Fifteen of the above boys also spent the full week of August 18th at Camp Trexler near Kresgeville, Pa. and while there took a 32 mile hike in 8 hours to Lake Harmony. The Scout Troop was granted permission to hold a musical program November 15, 1934. The Birthday Calendar proposition was discussed.

1935

In May our second charter was presented, and accepted by a reorganized Troop Committee, consisting of E. Marcus Kemmerer, Chairman; J. Walter Smith, Secretary-Treasurer, Rev. Daniel E. Schaeffer, Rev. Paul F. Spieker, Venus T. W. Stephen, Stanley Weida, Ralph Schmick, Committeemen. This loyal and efficient committee has served to date.

New Members were Arthur Keinert, Harry Ringer, Martin Stephen, Wayne Weida, Kenneth Weiland, John Angstadt, David Kern and Robert Shive. This year we encouraged the Merit Badge program, a means of advancing Scouts. This gave us our first Star and Life Scouts.

Our activities during the year included our first birthday party which was a big event and filled the Chapel to capacity, the placing of flowers on soldiers graves on Memorial Day and for Christmas December 20th we started to give baskets of fruit to the oldest male and female members of both congregations. The recipients were Mrs. Alvesta Ritter, Mrs. Marrietta Reinhard, Hiram Ritter, and Owen Roth. Our boys had earned 63 Merit Badges during the year and 17 advanced a rank. Out of the 20 boys we had in July 15 again spent the full week of July 13th at Camp Trexler. The Boy Scouts held Vesper services September 22, 1935, and December 8, 1935.

1936

Willard Heimbach was appointed to the staff as Assistant Scoutmaster, he served for one year. New boys invested were Frederick Yenser, Coolidge Ringer and Harry Burrit, Jr. The Boy Scout Calendar was introduced and is still in circulation at this date. The membership at this time was 21 and the boys had earned 31 Merit Badges during the year. On Mother's Day the Scouts had a special program in the evening which received favorable comment. The boys earned sufficient funds to purchase scouting equipment and to pay for their week's sojourn at Camp Trexler through the selling of Easter eggs which also has been done each year since.

1937

Allen Fink was appointed Asst. Scoutmaster. New members were Richard Laudenslager and Carl Shelhamer. In December the Troop received its first Eagle Scout, Amos Weida. Baskets of fruit were given to Mrs. Ritter, Mrs. Henry L. Romich, Hiram Ritter and John Bogert. During October the Scouts and their parents enjoyed a Moose supper and the unusual gift of a birch bark canoe made by the Algonquin Indians of Canada through the courtesy of Phillip F. Neuweiler.

1938

Ralph M. Creveling, Jr. was advanced to Asst. Scoutmaster. Nine new recruits were added Donald Frederick, Rayold Heimbach, James Kern, Burton Kuhns, Claude Mohr, Robert Yenser, Leroy Bortz, Bruce Hausman and Henry Gerhard. We had nine advancements and 52 Merit Badges and another Eagle Scout, Ralph M. Creveling, Jr. Fruit baskets were given to Tevillia Baumer, Mrs. Henry Romich, Hiram Ritter and John Bogert. During December the Scouts and their parents had a Venison dinner again through the courtesy of Mr. Phillip F. Neuweiler.

1939

Ralph M. Creveling, Sr. resigned as Scoutmaster and Earl Heimbach was appointed. Robert Laudenslager was advanced to Asst. Scoutmaster and George Keinert was the only new recruit. Wayne Weida became the third Eagle Scout. The same members received fruit baskets as in 1938. We had 14 class advancements and 22 Merit Badges.

1940

Six new members were admitted to Scoutdom, Richard Snyder, Donald Guinther, Earl Reichard, Paul Leiby, Lester Haines and Grant Munn. We had nine class advancements, received 25 Merit Badges, one ribbon for achievement and another for camping. Producing four Eagle Scouts in six years is an accomplishment the Troop is proud of.

1941

In 1941 the lone new member to date is Charles Bergstresser. The advancements for the troop in the past seven years was high for a rural troop, having produced eight tenderfoot, 24 second class, two first class, 10 Star Scouts, one Life Scout and four Eagle Scouts.

Prominent speakers and entertainers at the birthday parties were Gen. Frank D. Beary, Allentown; Fred Swift, Philadelphia, horn musician; Frank LaDent, the Juggler, Philadelphia; Lloyd Miller, Allentown, the Musical Man; Fred Burkhart, Allentown, the Pennsylvania German entertainer; and the Harrison-Morton Harmonica Band of Allentown.

Other activities were vesper services, with Dr. Charles Haff of Northampton, Rev. Steward F. Custard, Allentown; Rev. Wm. Wolford, Fogelsville; The Boy Choir of the Episcopal Church, Allentown (Grace Episcopal Church, 5th and Linden Sts., Allentown, Pa.) Mother's Day Programs with pageants and tableaux. Parents Nights with moose and venison dinners, with Phillip F. Neuweiler, Allentown as guest. Moving pictures from Mr. Creveling's trips to Canada. Last but not least, the boys planted fifteen hundred evergreen trees on the hillside of the church grounds.

Beautiful sacred glorious, Simple sublime and great.
Verdure clad hills and valleys, Rich with abundant love,
Stands in grandeur silent, 'Til every Sunday Morn.

Cho.—Western Salisbury, welcome Church, Western Salisbury dear and
grand,

Endless praise we give to Thee, Service, true love and loyalty.
Hail all hail to the Church of Western Salisbury.

2. Classes kneel at thy altars, Union's thy corner stone,
Keep us in sacred nearness, Learning and culture thy throne,
Pioneers started the worship, Happily their anthems raised,
Crowning our homes with plenty, Filling our hearts with praise.
3. Thou who rulest the nations, Author of Liberty, Feed all the happy mil-
lions,
Toiling with hand or with brain, Fill thou our store with abundance,
Guard us from famine or foe, Wisdom and mercy and justice,
On all our members bestow.

FIRST TEACHER TRAINING CLASS

"This Course Is Over"

1. This course we have completed,
Our task is now begun,
Of teaching others, old and young,
Of God and His Holy Son.
2. First we studied about the Bible
The Testaments, New and Old,
When we had completed the second Part
Twelve members had left our fold.
3. We continued with the Church and the Sunday School,
With their founding and development
How Robert Raikes held a Sabbath School
For the children's betterment.

4. We learned to study the pupils,
How to know them by their play,
Their needs and their characteristics
From childhood to maturity.
 5. We closed with the study of the Teacher
What his methods and principles should be,
How he should prepare his lesson
To teach to eternity.
 6. Now we thank our worthy teachers,
Who have taught us in relay,
Both Revs. Spieker and Schaeffer
Have guided us all the way.
-

FIRST TEACHER TRAINING CLASS

1. There's a Church on the hill by the roadside
No lovelier place can be found.
No place is so dear to our Teacher Training Class,
As Jerusalem Church of W. Salisbury for miles around.
2. How we answered the call on a Friday night!
For study and questions galore—500 or more;
The light and heat bills we created
Oft made the Church Council men sore.
3. Our class meetings now are past and gone,
But we happily gather here.
For a night of history in this church
The making of which, you, are witnesses dear.
4. 'Tis sad to part from Earl and Martine
From Edith and Alice, Mae and Arlene,
Bertha and Maine, Allen and Margaret
And last of all, Daniel and Paul.
5. For the social times at the tests
With the home made ice cream,
The angel pudding, cakes and nuts.
6. We heard some bells on Good Friday,
The old true message play.
And lovely and sweet the words repeat
Margaret and Norman's Wedding Day.
7. Along came April 1st with its fuss,
And the last lap of our school
Revs. Schaeffer and Spieker disappointed us
And we took it for an April fool.

8. Long will our hearts recall each joy
That bound us in true friendship here
For Daniel and Paul were in our employ,
Their time and selves to us so dear.

9. The world before us brightly lies,
Yet here fond memories love to dwell,
With saddened hearts and dewy eyes
We bid you all a sad farewell.

WILL OF FIRST TEACHER TRAINING CLASS—1932

Last Will and Testament
of the
Teacher Training Class of 1932.
In the name of God. Amen.

We, the Teacher Training Class of Jerusalem Union S. S. of the W. Salisbury Church, Allentown, R. 2, in the County of Lehigh, State of Pennsylvania, all members being of good health but calling to mind the uncertainty of this life and willing to dispose of our worldly estate, do make and publish this our last will as a class, recommending our souls to our Creator, hoping for a remission of all our sins thru the merits and Meditations of Jesus Christ the Saviour of mankind.

We dispose our worldly goods, visible and invisible, as follows:

We hereby order and direct the payment of all our just and unjust debts and graduation expenses.

We order and direct the Superintendent of Buildings to keep the keys ready and the double doors wide open for the next Teacher Training Class.

We give and bequeath the faithful services of our Pastors, their willingness to serve us and to be served by us, their efforts to be with us on Daylight Saving Time, and all that caused us to have joyful and inspirational gatherings to the next generation.

We also give and bequeath the "good will" of the church Council with thousands of thanks and the much appreciated ever ready attitude of our Superintendent of Buildings, to the future classes with interest, the income depending on their interest.

We order and bequeath One Thousand "thank yous" to the Ladies' Aid Society for the use of their dishes, tables, tablecloths, napkins, knives, forks, spoons, mugs and glasses and all other kitchen utensils we ever had the pleasure to make use of.

We order and bequeath the desire, inspiration, the earnestness, ambitions and talents of this our class of 1932 to the next class to use to their best advantage.

In the event that the said next class should have any social affairs, in such case we give, advise, devise, and bequeath all the home made ice cream

and home make cakes required to meet the needs of our surviving Pastors, if they survive.

We bequeath to the choir and its members our best wishes for their future melodious and harmonious prosperity and growth.

To you, the Members, of these congregations, we give to behold at your will the beauty and symbolism of these two flags, that adorn our chancel, the pride of the class, and ask the Church Council to have and to hold in trust for their proper care and keeping, forever.

To the Sunday School of which we are a part, we give, devise, and bequeath all our faith, hope and love for a greater school in the next two hundred years.

To our worthy superintendents and school officers, of our Sunday School, we give "five thank yous" for their interest shown to us as a class in these two years of training.

We give and bequeath to our splendid Orchestra, its leader and members ten thousand thanks for their inspiring music rendered at these services tonight, and pray for their joy and progress in the future.

We bequeath the great amount of extra room for efficient Sunday School work, to the future Teacher Training Classes to solve and to use. Also the well kept Cemeteries, lawns and beautiful surroundings of the Church.

We hope and pray that the future classes will have ample supplies of stationery, such as papers, pencils, etc. supplied by the Sunday School or Church officers.

We give, devise and bequeath to the Church Council Five Hundred Cents, toward our maintenance, such as light and heat and express our best wishes and hope that their path of duty is the way to Glory.

And we hereby nominate, constitute and appoint the said President of Church Council, the Executive of this our Last Will and Testament, if he be living at the time of our graduation and if he should not be living at the time of our graduation, then we hereby nominate, constitute and appoint the Sunday School Superintendents the Executive body as Executor and Trustee under this our Last Will and Testament.

In witness whereof, We, The Teacher Training Class, testators above named have to this our last Will and Testament set our minds and hearts and affixed our colors and seal this 10th Day of June A.D. 1932.

Signed, sealed, published and declared by the testators above named as and for our Last Will and Testament.

The class also bequeaths the amount necessary to pay the Supply to our Pastors in their respective churches in Emmaus, tonight.

The Class also bequests their loyal support and encouragement to the pending organization of a Woman's Missionary Society, to be fully organized in the near future. A mission, we as Christian women of these congregations have not carried on, according to the wish of our Master, whose words: Go, ye and teach all nations found in part of the 19th verse of the 28th Chapter of St. Matthew, upon which Rev. Schaeffer spoke so masterly and eloquently at our baccalaureate sermon this morning. The last great command to his twelve disciples.

The Class also devises and bequeaths to its Lutheran Pastor and teacher, Rev. Paul Frederick Spieker and to its Reformed Pastor and teacher, Rev. Daniel Edgar Schaeffer for their faithful performances of their respective duties, for their great encouragement, their inspirations so generously imparted, for their capable instructions and guidance in the Training Course, so that we might become of greater service as teachers of this community, We give to each, One thousand coppers to be used as they see fit.

We trust these two thousand pieces of not silver nor gold, but of thanks will express the sentiment and the gratitude of the class members for your kindly services during the past year and a half. It is our earnest prayer, that you both be given health and strength for such continued services during the coming years. The sincere friendships we formed in these months of study will be sweet and everlasting memories of our lives.

It's the human touch in this world that counts,
The touch of your hands in mine,
Which means far more in this world of strife,
Than shelter, bread or wine,
For shelter is gone when the night is o'er,
But the touch of your hands and the sound of your voices,
Sings on in our souls evermore.

May our Heavenly Father bless you and keep you.

Amen.

By authority of the members of the Teacher Training Class of 1932.

FIRST TEACHER TRAINING CLASS**Class Recollections**

Teachers Training Class consisting of ten members,
Is something very important indeed.
A task, that we for some time will remember,
A service that will help when in need.

We met with courage and sometimes distress,
But keeping on we had success,
Some were lucky to get one hundred per cent,
But others had dropped out before the end.

We kept on with all our might and power,
We had a farewell party, and a kitchen shower,
Absent on account of sickness, or attending another meeting,
And always after the tests we were eating.

So now we completed our task,
Hoping that others will organize a class,
Because I am sure they are not sorry,
In nothing will we succeed without worry.

The Sunday school is a service for young and old,
The Sunday school is not complete without teachers,
And so we need training we are told,
We should not depend on the Preachers.

So let us move forward and show our light,
We older members had to study with all our might,
Hoping that the young generation will see fit,
To undertake the work we did.

I believe we members will never forget,
How Rev. Spieker asked questions, and gave us tests,
And Rev. Schaeffer gave us lectures to teach,
To show us the true value of each.

So now a year and a half is past,
Of good toil and friendship that should last,
We hope and pray to live together,
A pure life, and a kingdom forever.

Now at last but not least,
We will depart in peace,
To meet every Sunday for service,
In this dear old church of ours.

SECOND TEACHER TRAINING CLASS

The Second Teacher Training Class of the Western Salisbury Sunday School was organized on June 15, 1933 with sixteen members.

After sixty-one meetings, this class graduated with eleven members, who completed the course on June 9, 1935.

The regular teachers were Reverend D. E. Schaeffer, who had charge of twenty-six meetings, and Reverend Paul F. Spieker, who had charge of twenty-one meetings.

As assistant teachers, Mrs. Fred C. Laudenslager had charge of eleven meetings and Lloyd B. Backensto and Allen Fink one meeting each. A total of sixty visitors were present during regular instruction periods throughout this course.

A series of five tests were taken and passed by the eleven members who completed this course and each test was followed by a social session and refreshments consisting of cake and ice cream.

The following were the class officers, all of whom completed this course:

President, Miss Ella Schaeffer; Vice President, Henry Fink; Secretary, Mrs. Clarence B. Backensto; Assistant Secretary, Miss Emily Laudenslager; Treasurer, Miss Verna Stephen; Pianist, Miss Margaret Boger; Ushers, Mrs. Henry Mackes, Agnes Frantz, Miss Minerva Fink, Earl Ritter, Mrs. Henry Fink.

The Class selected the following symbols as their guide: Class Flower, Talisman Rose; Class Colors, Pink and Green; Class Motto, Trained to Serve; Class Song, "I Have Left All."

In addition to the splendid motto selected, the class showed its foresight by the large number of functions which follow:

lowe'en Social; Feb. 3, 1934, sponsored play given by Macungie Grange;

ture "Around the World in 80 Minutes" by Prof. Harley Ruch; Nov. 16, 1934,

ered dish social; May 4, 1935, Pennsylvania German Play "Noshions duna
fiel," given by members of class; May 25, 1935, sponsored play given by
Macungie Grange.

The class had total receipts of \$182.78 from offerings, proceeds of

outings, donations and printing programs, etc. The class showed its charit-
able disposition by making the following donations:

To the Altar Guild\$ 5.00

Western Salisbury Reformed Congregation.

At graduation time every member was presented with a text book by the First Teacher Training Class to begin an advanced course in teacher training for which the first teacher training class deserves commendation.

This class exemplified a splendid spirit and deserve the commendation and congratulations of the Sunday School and Church.

This class set a goal worthy for anybody to try to achieve and hard to even to equal much less to surpass.

This class indeed was a credit to both our Sunday School and Church and we trust and hope that another class with such a spirit, aim and enthusiasm will be formed in the near future.

The Baccalaureate sermon was preached by Rev. D. E. Schaeffer on Sunday morning, June 9, 1935. The following is a complete program of the Commencement exercises held at 7:30 P. M. on June 9, 1935 in the Western Salisbury Church with six members of this class taking active part in the program as can be noted by the complete program listed here.

We have left all to follow our Saviour,
Willing to go each step of the way.

MILITARY RECORD

MEMORIAL EXERCISES

Memorial Day exercises at Western Salisbury Church in memory of the veterans of all wars who served our Country were held annually for many years, usually on the Sunday morning nearest the annual Memorial Day.

For about fifty-two years or more, these services were in charge of Col. T. H. Good Camp No. 208 Sons of Union Veterans of the Civil War. Col. Good Camp was organized at Emmaus, Pa., July 2, 1888. The members of this Camp assisted their fathers and veterans at these exercises until the last veteran entered eternal rest. Franklin D. Schmoyer who died May 30, 1920 at the age of eighty-four years is believed to be the last to assist in these exercises and the last to pass away. Other veterans of the Civil War from this vicinity were: John Lehman, Sr., Jacob K. Ritter, William Noll, Edwin Wieand, Hiram B. Long, Sylvester Bieber, Henry Hunsberger, Daniel F. Fink.

Records disclose that the orator on June 3, 1894 was Maj. R. M. J. Reed of Philadelphia and again on May 29, 1898. On May 28, 1899 E. C. Reichard was the orator and on May 28, 1900 W. E. Smith and Wm. B. McNulty addressed the gathering.

The members of Col. T. H. Good Camp who have made Memorial Day exercises possible until this year 1941 inform us that the first Memorial Day Committee was appointed in April 1889 and this committee assisted the G. A. R. veterans until the last one departed.

Other organizations who assisted Col. Good Camp for many years were Washington Camp 398, P. O. S. of A. and Emmaus Council 436 Jr. O. U. A. M., Charles Henry Schaeffer Post No. 191 American Legion of Emmaus and others.

The members of Col. Good Camp who are remembered as the most active in these services were the late N. J. Ritter and his son Earl J. Ritter; John E. Lehman, Jr., C. O. Hohe and his sons George and Elmer; Frank M. Hohe, his sons Wesley F. and Archie; Forrest F. Ritter; J. A. G. Flores; Edgar T. Fink; Robert C. Fink; Henry A. Fink; the late Harvey M. Fink and his sons Richard H. and Raymond D.; Stanley L. Erney; Albert N. Bauder and others.

The Hohe family, members of Camp No. 208 S. of U. V. were always active on Memorial Day ever since the Camp's institution are descendants of William Hohe who was a brother of Samuel Hoe who lies buried in yonder cemetery, who took sick soon after his return from the service and died Nov. 9, 1864 at the age of thirty-three years. This record was handed down by his widow and two brothers who also served in the Army. Samuel Hoe died before he could get his service record cleared in the archives of the War Department at Washington, D. C.

May we long respect and ever cherish the memory of every former

soldier buried in our cemeteries or soldier members of our congregations as well as those who were and are still active in the observance of befitting and appropriate exercises to the everlasting memories of all concerned.

May we also hope that the Christian church at large and the citizenry of the United States will soon realize everlasting peace so that our beloved relatives, neighbors and friends who followed the Flag of our Country may not have died in vain.
